

North Tonawanda's

TREE PLANTING PROGRAM

2017

The City shares the cost with residents in planting
A young tree to enhance the
beauty of our city.

There is a large variety of trees to choose from
Which are:

Trees for Under Wires

Redspire Pear

Thornless Cockspur Hawthorn

Spire Cherry

China Snow Lilac

Not for Under Wires

Cleveland Pear

Turkish Filbert

Heritage Oak

Japanese Zelkova

Halka Honeylocust

Liquidambar Sweetgum

Cost to Resident: \$50.00

Trees For Planting Without Wires

Turkish Filbert

Pyramidal tree with a corky, light, yellowish gray bark. Dark green leaves turn yellow to coppery red in the fall, thick shelled nuts mature in late summer

50 ft. tall, 30 ft. spread

Heritage Oak

Fast growing large shade tree, pyramidal form, dark thick leathery leaves, produces acorns

50 ft. tall, 40 ft. spread

Japanese Zelkova

Visually interesting shade or ornamental tree, short trunk with multiple branches forming a rounded crown, green leaves turn yellow, copper, orange, or deep red to purple-red, peeling bark exposes orange patches

50ft. tall, 50ft. spread

Liquidambar Sweetgum

Low-maintenance shade tree, tall, with a straight trunk, fragrant leaves which turn a brilliant mixture of yellows, oranges, purples and reds in the fall

60 ft. tall, 40 ft. spread

Cleveland Pear

Medium size, pyramid shape, fast growing, dark green heart shaped leaves, fall foliage deep red, white flowers & edible fruit

30 ft. tall, 18 ft spread

Halka Honeylocust

Vigorous grower, symmetrical, full crown, leaves turn yellowish in the fall

40 ft. tall, 40 ft. spread

Trees for Planting Under Wires

Redspire Pear

Fast growing, pure white flowers in the spring, leaves emerge as red/purple then become glossy green, yellow to orange in the fall

30 ft. tall, 20 ft. spread

Thornless Cockspur Hawthorn

Thornless stems, showy white flowers in spring, persistent red fruit in fall and winter, bark is rough and slightly saggy with age

15 ft. tall, 20 ft. spread

Spire Cherry

Narrow upright tree, dark green foliage, single pink flowers, turns orange-red in the fall

30 ft. tall, 10 ft. spread

China Snow Lilac

Great urban tree, amber colored bark, heart shaped leaves, spring blossoms, fragrant white flowers, persistent fruit/seeds, leaves turn yellow in the fall

20 ft. tall, 20 ft. spread
