**N.T. Botanical Gardens

Every Tuesday we'll have a variety of food trucks stationed at Botanical Gardens ready to serve your lunchtime needs. Picnic tables will be set up for your dining needs and LIVE MUSIC will be on hand for your entertainment.

Whether you are stopping for a quick bite on your lunch break, meeting a friend, or are bringing the family, this is a great way to eat out and support local vendors and music artists! We'll have cornhole, mega connect four, and lawn checkers available for added amusement.
